## Declaration of Purpose

We are the REALITY CHANGERS: Agents of Change. We are agents of POSITIVE change in the world that surrounds us. We get good grades because we are going to college.

We are polite, courageous, and above all, honest. If we are not, please tell us so and we will correct our behavior the first time that we are told. We seek to always inspire others with our words and be positive influences at all times.

We do not pull people down, but instead, we lift each other up. So remember, tough times never last, but tough people always do. That's why others may choose to accept reality, but we choose to transform it. We show up, work hard, and tell the truth.

We are the REALITY CHANGERS: Agents of Change.

**In your own words, tell us what the declaration of purpose means to you and how you would uphold it:**

**Members or Reality Changers promise not to use alcohol or drugs. Have you used either before?**

**If yes, this answer will remain confidential. If no, write "never have, never will" in the box to the right.**
