

How to Edit Your Fundraising Page

After you create a fundraising page, you can edit its details and personalize the content.

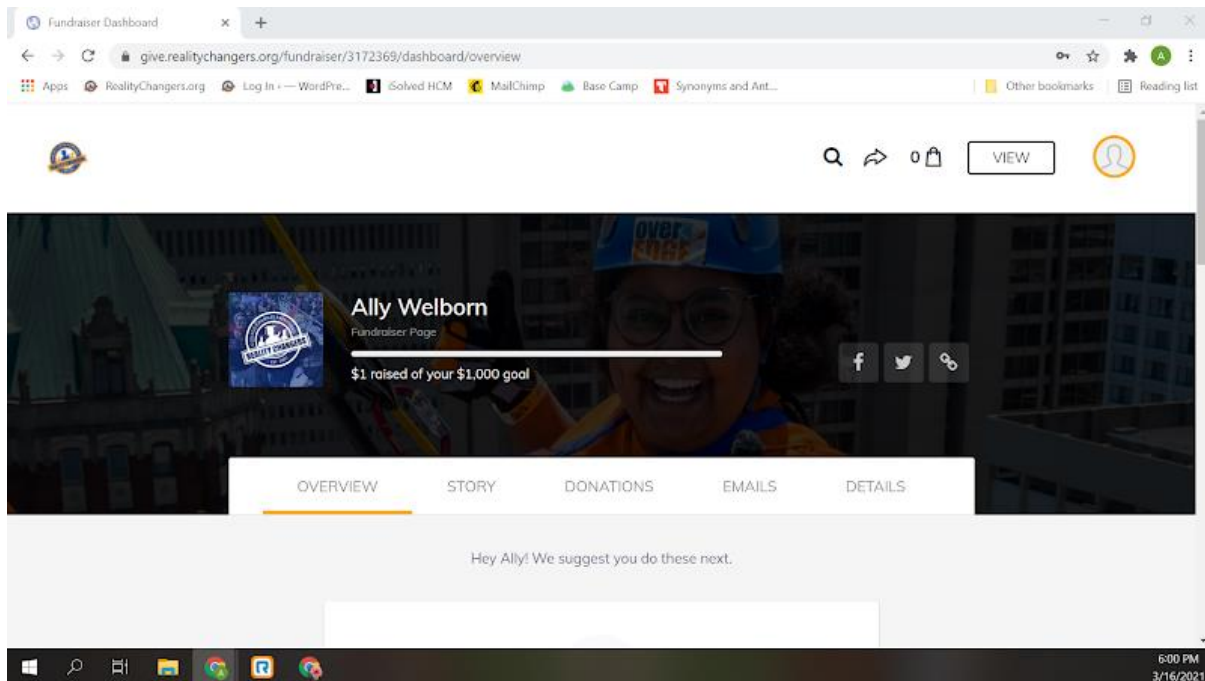

Open your editor

Visit your fundraising page and tap on the **Manage** button (you may have to log in first). It will be at the top-right of the screen on a desktop or laptop and at the bottom-right of the banner image for mobile devices.

Overview

The first thing you see when you open the editor is the **Overview** tab. There are 2 content tabs that control the appearance and details of your fundraising page: the **Story** tab and the **Details** tab.

From here, you can view some cards with suggested next steps and access other content tabs. If this is your first time viewing the editor, we recommend completing the cards. They will help you edit your Story, make the first donation to your page, and ask for donations from friends and family. If you've already completed the cards, use the other sections in this guide to edit your page.

After you have completed the cards, you can make future changes and see additional information using the tabs at the top of the editor. Click **View** (top right) at any time to see how the changes look on your page.

Edit your Story

Your Story is the main content that appears on your fundraising page. To edit the content, tap on the **Story** tab and make your changes in the text block. Hit **Save** when you're finished to save your edits.

STORY UPDATES

 **Personalize your story**
This is the default story behind our campaign, but you can make it your own. Add photos, video, and text to tell people why you are fundraising!

I'm going over the edge!

This Summer, I'm challenging myself by rappelling down the side of a high-rise building! You can help send me Over The Edge by making a donation to support Reality Changers.

Reality Changers prepares youth to become first-generation college graduates and agents of change. Funds raised support tutoring, mentorship, college readiness training, and professional development programs for young people from underrepresented backgrounds - all provided at no cost to students and families.

Donated today to help students achieve their dreams... and help me go Over The Edge!
