

## How to Create a Fundraising Page

When you fundraise for Reality Changers, you create a personal fundraising page to share with your network. This fundraising page is hosted through an online platform called Classy.

### Getting started

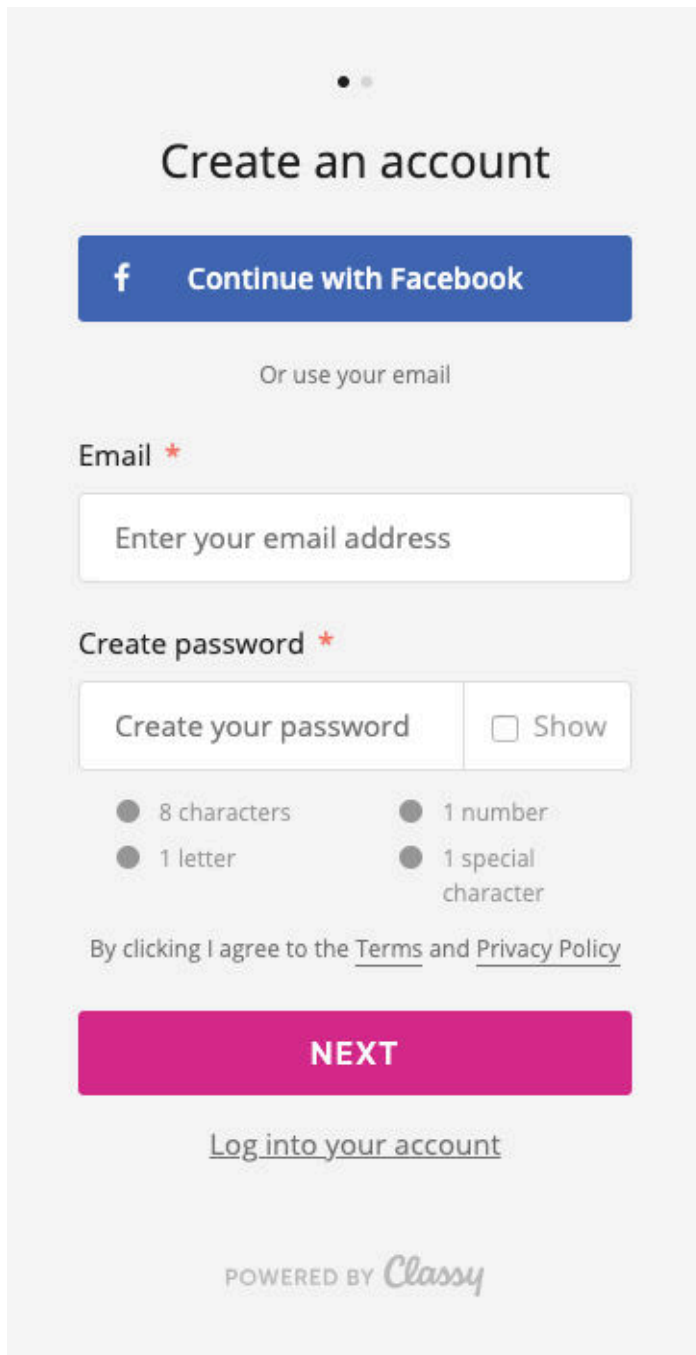

To create a fundraising page, visit:  
<https://charity.centuryclubsd.org/realitychangers>

Click the **button** that says “**BECOME A FUNDRAISER**”.

## Fill out the signup forms

Create an account using the signup forms. If you already have a Classy account, log into your account instead.

The image shows a mobile-style sign-up form for 'Classy'. At the top, there's a title 'Create an account' with a progress indicator (one filled dot, one empty dot). Below the title is a blue button with a Facebook 'f' icon and the text 'Continue with Facebook'. Underneath is the text 'Or use your email'. The form has two main sections: 'Email \*' with a text input field containing the placeholder 'Enter your email address', and 'Create password \*' with a text input field containing 'Create your password' and a 'Show' button with a checkbox. Below the password field are four requirements, each with a filled circle: '8 characters', '1 number', '1 letter', and '1 special character'. At the bottom of the form is a pink 'NEXT' button, a link for 'Log into your account', and the text 'POWERED BY Classy'.
